

Name: Ângela Cristina Loureiro dos Santos Condesso

Age: 36 years old

Teaching subjects: Art and Project Work

Classes: 5D; 5E; 6D and 6G

Arts workshop: Two students with special needs from class 6A

Interests:

- I love being a mother, a woman and a teacher;
- I like listening to music, painting with different materials, drawing, creating decorations for my house, accessories and small pieces of bijouterie;
- I love reusing materials.

Reasons for participating in the Tell me more! project::

- To work together with my partner colleague and my class;
- To be acquainted with the different realities from the schools involved in the project;
- To know and to contact the cultures from the different countries;
- To enrich me as a person and as a teacher.
